VBP community,

I need to update you on a few voting procedures. With concern from some community members about how voting was taking place, we have deleted all votes that have come in. We will be collecting votes as of today, Sunday, August 21. If you have already voted, please do so again in one of three ways.

If comfortable you may vote online by clicking the link below. You must put in your VBP street address so that we can keep track of who has voted. Otherwise you can use the absentee ballot and follow those instructions and or vote in person at the Association meeting on Saturday, September 3 at 10am.

Thank you for your understanding and cooperation on this matter. As we continue to navigate things through the pandemic and needed to make changes over the last few years, we appreciate your willingness to be flexible as we try and make this process an easier one for all involved.

The ballot can be found here: [Ballot for VBP Board Elections and Budget](#)

The absentee ballot can be found here: [VBP Absentee Ballot](#)

If you would like to get to know the members of the community running for the board, you can do that here: They are also listed on the website.
